## COSTS

The Kansas City Automotive Museum is a 501c3 charitable corporation. We ask for donations to cover the cost associated with equipment and staffing. Donation bins will be available for spectator donations.

### Packs may choose Donation Option A or B:

A) Contribute a voluntary donation of \$3 per person in attendance, to be collected by a pack volunteer(s); **and** provide a pack volunteer(s) to man a concession stand, with proceeds to benefit the Museum. (Museum will provide concession stand items for sale and necessary supplies and equipment.);

**OR**

B) Make a flat suggested donation in lieu of collecting a \$3 per person donation and manning a concession stand. The suggested flat donation is \$400 - \$500.
