

FOR IMMEDIATE RELEASE

Kansas City Automotive Museum Kicks Off 2025 Cars & Coffee Season at Kansas Speedway

Kansas City, MO – April 14, 2025 – The Kansas City Automotive Museum (KCAM) launched its 2025 *Cars & Coffee* season on Saturday, April 5 at Kansas City Speedway, attracting car lovers from across the region for a chilly but electric morning of automotive excitement.

Despite temperatures in the low 40s, the season opener welcomed 472 show cars and approximately 250 spectators, all eager to reconnect with the local car community and celebrate the return of this highly anticipated series.

“This was an incredible way to start the season,” said Butch Papon, Curator of Exhibits & Collections at the Kansas City Automotive Museum. “Even with the cold weather, the enthusiasm was high, and we were thrilled to see so many familiar faces and new attendees.”

The event featured a variety of local vendors and car clubs, including:

Diesel Motorsports
High Performance Driving Event
House of Boost
Creative Coatings
Oleo
Gateway Classic Cars
Mad City Windows & Bath
ArtWork
Friendly Flamer
Sharp Leader
Detail Doctors
Audi Club of KC
Camaro Club of KC
KCOR
Maguire Motor Cars
"Friends"
House of Boost
Wrap Effects Crew

KCAM Cars & Coffee events are held on the **first and third weekends of each month from April through October**, providing an ongoing opportunity for car owners, collectors,

and enthusiasts to gather, share, and showcase their vehicles in a casual, community-focused setting.

About the Kansas City Automotive Museum:

The Kansas City Automotive Museum is dedicated to showcasing the rich history of the automotive industry and its impact on Kansas City and beyond. Through exhibits, educational programs, and community events, KCAM brings the past, present, and future of automotive innovation to life.
